LITTLE ROACHES

Lekker logeren Sleep over

Brim is going to stay over at Nona. Great of course, but also a bit exciting, all night in a strange bed ...

Sisters Nynke and Marijke Klompmaker together made this lovely Little Roach about sleeping over. Perfect to give to children who are going or want to stay somewhere. Or to send to grandpas, grandmas, uncles, aunts, nephews, nieces and friends to subtly fish for a sleepover invitation.

Marijke Klompmaker made several (translated) books together with philosopher Stine Jensen.
