LITTLE ROACHES

Moet je horen Hear hear

Synopsis

Being read to is so terribly nice. As a child, huddled under a warm blanket, but also by a loved one close to you (or over the phone in case of a long way away). In four short stories, Jente Posthuma celebrates the intimacy of reading and being read to.

The lavish illustrations of Enzo Pérès-Labourdette (known for the books 'Anne, the horse and the river' and 'Dreams of the Orient', among others)
