LITTLE ROACHES

Met je hoofd in de wolken With your head in the clouds

Synopsis

A book full of beautiful aphorisms by Theo Olthuis to remember for a long time. A Cockroach that will keep you busy for hours. Partly thanks to the detailed, atmospheric illustrations by Irma van Osch To be sent to everyone who deserves something beautiful.

Theo Olthuis is a famous Dutch writer of songs and poems. He wrote voor Sesame street for years.

*The beetle crawled over the highway,
the sun was shining
and he felt happy.*

*What is happiness then?
asked the bird of paradise.
Definetly something with mud,
the pig grunted.*

*The meaning of life?
That you keep growing, rustles the tree.
The fungus on its trunk agreed.*
