LITTLE ROACHES

## Het huis op het kruispunt The house at the crossroads

### Synopsis

Comedian and columnist Merijn Scholten was an artist-in-residence at CODA last year as part of the Gelderland Heritage Festival. The Apeldoornsche Bosch Memorial Center in particular made a deep impression on him. Scholten wrote a story and recited it during the presentation at the Heritage Festival. The story had such an impact on the audience that it is now also available as a booklet.
