

Little Kid, Big City: New York

By **Beth Beckman**; Illustrated by **Holley Maher**

If a kid were given the opportunity to lead a tour of New York City, where would they go? In this brand-new series, an illustrated travel guide collides with an interactive format, allowing readers to imagine, create, and explore their own routes through the greatest cities on the planet. (Next stop, London!)

With fun and detailed illustrations and dozens of forks in the road, Little Kid, Big City is a new way for kids to take part in their travels and invent their own adventures.

BETH BECKMAN is the editor and founder of the namesake website, Little Kid, Big City, and is trusted by parents as an authority on traveling with kiddos (in style). She provides travel and activity recommendations on her Instagram account of the same name as well as the FOMOfed Kids platform.
